Electronic Newsletter for Wyoming's Out-of-Options Furkids

e-WOOF is a bi-monthly e-newsletter produced by a small group of Wyoming dog rescuers in an effort to highlight shelter dogs in critical need of help.

e-WOOF spotlights many dogs that face euthanasia within days unless they are rescued, fostered, or adopted.

Transport can be arranged, in most cases, to approved adoptive or foster homes or rescue organizations.

Please help us! These are good, healthy, happy, loving dogs that are out of luck and out of time.

We urge you to crosspost to e-mail lists and Web groups, forward to friends, send to co-workers, and share with family.

We hope our efforts, combined with yours, will save many lives.

and I love to play with other dogs. I would be a wonderful companion for someone who enjoys a "lap dog" type. I am easy to leash and enjoy going for walks. **Please adopt me and we can share lots of loves forever.**"

CROCKETT is a Coonhound mix, 2 years old. "If you love hounds, I'm an

absolutely stunningly gorgeous boy who has lots of energy. I have lots of stories, and will tell them to you as long as you will listen. In other words, I am a typical "hound". I like both people and other dogs. I am easy to leash, and am ready to go as soon as the leash is on. I would love

to have someone to run with. I've been told my stance and head are so gorgeous - it's nearly impossible to get a bad picture of me. **I am looking for a new home, and I hope you will adopt me. We can have lots of fun running together!**"

ELIJAH is a Heinz 57 mix, 1-1/2 year old. "I'm looking for a new home. I like fetch, tug'o'war,

and squeaky toys. I know the basic commands. I'm playful and like people and other dogs. I'm still young, so I need someone who will

help me finish learning a few doggie manners. My colors are blue, fawn and white, and my fur gives me a soft, fuzzy look. I'm easy to leash, and I walk quite well on leash, but sometimes I get carried away with myself and pull a little bit. That is one of the things I need someone to help learn. I am a fun little guy who likes to play with people and other doggies. **Please give me a new home and we will be best buddies."**

SISSY is a Pit Bull mix, 3 years old. "I am an absolute sweetheart who adores people. I enjoy

giving and receiving loves - I'll even let you give me a tummy rub. I have distinct black and white markings, which remind one of "the next happy cow from California". I am extremely friendly and loving

SERIOUS is a Chow mix. "Hey everybody, I'm Serious (that's my name), and I am sad at being in the pound. I like all people and

other dogs. I am quiet, calm, and well mannered, plus I am easy to leash and I walk well on leash. I have thick beautiful black fur that has the slightest suggestion of "highlights" in it. I am very hopeful a new family will adopt

QUETE is an attractive chow mix. True to his breed, he has protective tendencies. He knows basic commands and gets along with other dogs. He will need a securely fenced yard and will need to be neutered before going to his new home. **Can you give Quete his dream of a permanent home?!**

SNOW is a white male German shepherd. He is reportedly a very sweet boy and certainly very handsome! He will need to be neutered prior to placement in a new home. **SNOW would love to be BOUND for your home!**

COPPER is an eight-year-old Hound, white with brown markings. **He is a large dog with a huge**

per-
sonal-
ity. He is very laid back and easy-going. He is totally house-

trained and loves to just lounge around. He is okay with other dogs his speed but doesn't tolerate the young, bouncy, energetic type. He doesn't like cats and has no time for small children. He enjoys walks and just being with people. He prefers being outdoors and would love a large area to explore. Copper listens well and obeys basic commands, especially if you have a treat. He would do best in a country setting and possibly gain from being the only pet. Copper came to the Shelter in April 2009 and is becoming discouraged because no one has showed any interest in him. We really need to find him a home.

a new place to live. Twiggy is staying in her current home until a new home can be found. Her owner describes her as affectionate and playful, but she does need some work on socialization with people and other dogs. Her new owner will need to commit to doing this, and probably shouldn't have any cats or other small pets in the home. She is spayed, microchipped and due for one more set of vaccinations. She is mostly housebroken, but will need continued work on this as well. A training DVD will come with her adoption.

DANNY BOY is about 1-1/2 years old. He was H-U-N-G-R-Y when he showed up at the local Boot

Barn looking for a new home. **We don't know where he came from, but we do know that**

he wants a home where they will feed him on a regular basis! Everyone that has met Danny Boy so far thinks he is **such a nice boy!** There is definitely something to be said for nice guys! He doesn't know much about a leash, and despite being so skinny, he is FULLL of life and energy. He is starting to put on a little weight and looking better. Danny doesn't bark a lot and seems to be friendly to ALL ages of people!

Poor WOODROW! He was brought to the vet clinic for treatment

and then was never picked up! We're not sure what breed he is but he is a GREAT PERSONALITY once he gets to know you. He is a little leery of strangers and strange places until he gets used to them. He is about 8 months old and weights in at 10 pounds. He would probably do best in a home without young children.

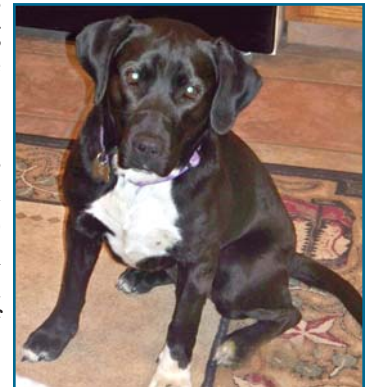

HELP! MISSY NEEDS a HOME!

Cody, Wyoming

Contact: Kathy at 307-587-4794

MISSY is a Lab mix and a really nice girl, currently in foster care. She has

been needing a home since Thanksgiving 2009. Missy likes to play and would love to have a yard to show you what kind of bouncy energy she has! If you can help little Missy you can also contact <http://www.3dogrescue.com>.

DOGS IN OUR LIVES

We aren't house-proud. If we were we wouldn't abide the scratches on the door-frame, the holes in the screen, the darkened shine of worn spots on the chair. We would wince at the mottled carpet and fret at hair clinging to our clothes.

We don't. If anything, we lovers of a dog are a tolerant lot, finding greater value in the unabashed affection of our friend than

immaculate sofas. Shoes can be replaced, but loyal furkids are timeless.

Without our dogs our houses are cold receptacles for things. Dogs make a fire warmer with their curled presence. They wake us, greet us, protect us, and ultimately carve a place in our hearts and our history. Our reflection, our lives are often referenced in parts defined by the all-too-short-lives of our dogs.
